Hi Dr. Frank! I chose to do my report on me! I hope you enjoy this!

I was firstborn to Barb and Jeff Woeste on 9-20-1996. One year and about four months later, I had a sister, Mariah. She's very special to me now, but when I first saw her, I started screaming my head off. My next sister, Cori, came about two years later, and NOBODY could hold her before I held her first. Not even grandma! Next, came Rikah about two years later again. I took ownership of her. I decided that she was my baby. Mom and dad thought they were done, but the kids kept on praying for the brother they knew they were going to have, Elijah Michael. And sure enough, along came the last child (so far) and only boy on May 15th 2002. So, after six years the family was complete.

I have three cousins (on my mom's side. My dad's side is WAY too many to count.) and two second cousins. Our oldest cousin, Emily, is 28. She was sixteen years old when I was born, so she was often my babysitter. She told us (once the others were born.) stories about Waffles and Pancakes, two imaginary characters. And hid treats in our popcorn. She had our second cousins Tyler who goes around thinking that Rikah is all his and shouting, "My Rikah!" and Mason, who only has eyes for Mariah, sometimes even over his mom!!! Our cousins that are closest to our age have lived all over the place: Ohio, three different places in Salt Lake City, Utah, and two in North Carolina wherever they have lived, they always have an awesome backyard!!!!. The house they live in now, has a big hill and a creek. If you walk back a ways, their little trail in the woods, goes into part of the Blue Ridge Mountain hiking trail. They live in Asheville, NC now so even though we

don't get to see them a lot, we still have tons of fun with them. We go to Coney Island every year with them, and here are a few pictures.....

Every year my family, on my mom's side, we go to Outer Banks, North-

Carolina. We have a fun time swimming in the ocean relaxing in the hot tub, having fights in the pool, and doing special "field trips". One year we went to see the play, "Roanoke: the lost colony." One year we went to Hatteras island and saw, a exhibit on Blackbeard the pirate!!

Our beach house is almost always on the sea shore. One year we saw a triple rainbow!!!! We get our family photo taken every year, by the professional, Uncle Richard. (Or somebody else.) It is always awesome because we drive there, leaving at about 4:30 am until between 3:30pm- 5:00 pm and get a hotel with a heated pool. Then, we leave at about 9:00 or 10:00 am. When we get to the beach, we have the time or our lives!!!

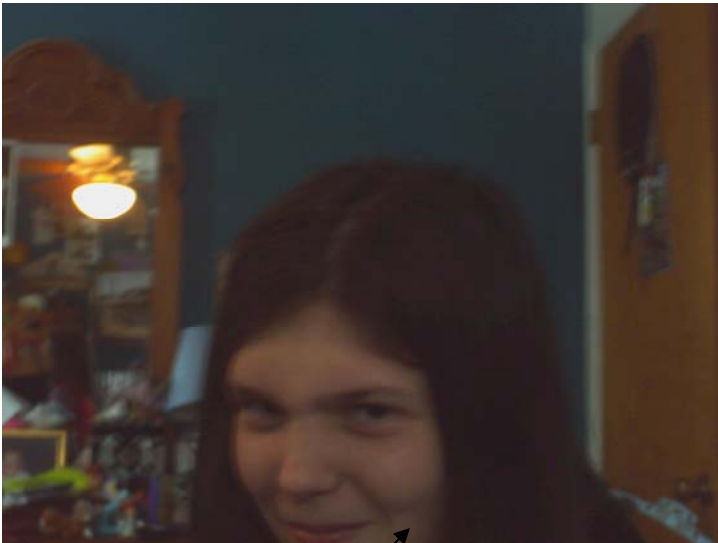

The other family vacation spot is my Uncle Mike's house in New Richmond, with around 32 acres. The quality house includes: a wonderful creek with clay that you can do anything with (as pictured below); no TV to kill your brain cells on, a quality lake fully equipped a canoe, rowboat, fish and fishing rods; and an airstrip. Friendly neighbors with airplanes, hay rides, dogs and all kinds of things wonderful hiking woods ect. ect.

We have some very special friends the Wethingtons Jennifer, Rachel Erica, Patrick, Derick and Keri. Jennifer and Rachel are me and Mariah's age and we spend every moment we can with each other. We really have fun with them. We're into superheroes. I'm Martian Manhunter (or Robin.), Jennifer's Flash (or Wolverine.), Mariah is Dr. Fate (or Hawkgirl.), and Rachel is Nightcrawler (or bat-dog). And I have a picture of Jennifer that looks halfway like Wolverine. Here we are doing a fashion show. Rachel and Mariah are the models(along with Erica and Patrick, not shown.) and Bekah and Jennifer are the photographers.

My favorite sport is Soccer, and my best position is goalie, forward, or defense I hate halfback! I would just love to go on, and on. But I'm sure you're getting tired of this so here is one last picture.

Thanks for looking at my report !!!!! ☺
