

The Eyes in Our Stats/Bio Class

Photos taken on 9/24/2008

*It is much harder to assign the eye colors than I had anticipated!
Eye colors seem to vary continuously rather than falling into distinct categories.
This is our first try at assigning colors. Do you agree with our assignments?*

Reference Eye Colors Used for ID:

1		Name: Bekah Color: Brown
2		Name: Zoe Color: Blue - Green
