PRECISION DIGITAL PITCH GAUGE

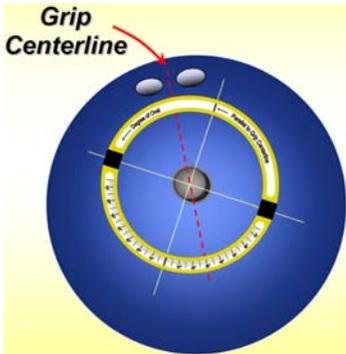

Precisely measure the diameter and pitch of grip holes.

Tired of guessing?

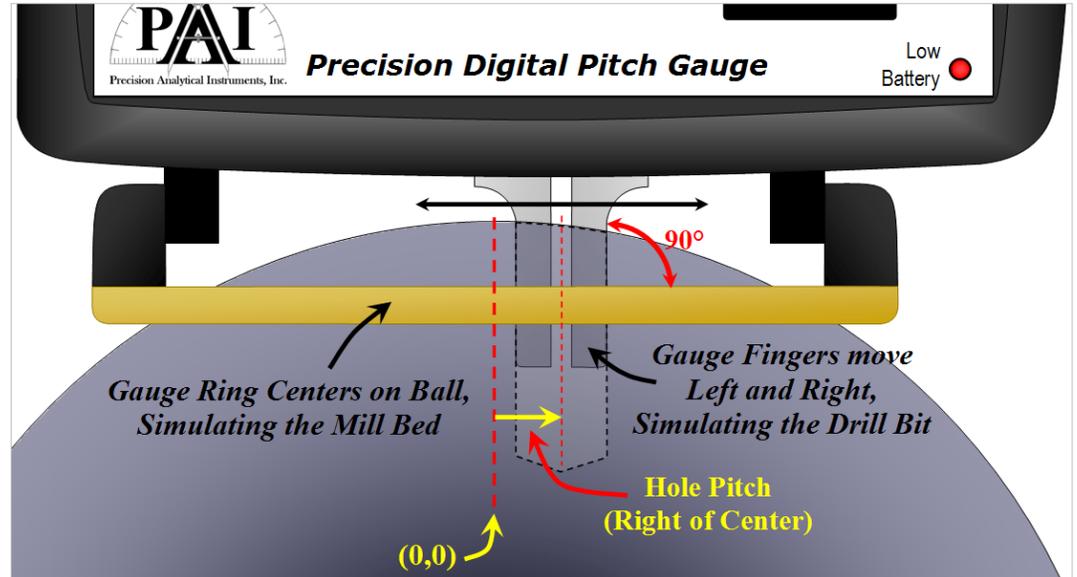

- Measure hole diameters and pitches to the nearest 0.001"
- Measure oval diameters and angles
- Accurately measure dual-pitch holes
- One 9V battery required, with low battery warning light

	Minimum	Maximum
Hole Diameter	0.50"	1.55"
Hole Pitch	-1.00"	1.00"

Measuring the Degree of Oval
